Open Enrollment
Fall, 2022

What is Garner?

Garner is part of your healthcare benefit. It is **free** for you.

Garner helps you and your family find the best available healthcare.

Anytime you need a doctor, you'll find excellent choices at your fingertips.

Why use Garner?

1 You'll have **confidence** you're getting the **very best care**

2 Garner provides an expert personal Concierge to help you find the best care

3 Garner pays your out-of-pocket medical bills

Garner pays for:

When you use a Garner-recommended doctor, Garner pays for everything your doctor orders

-  **Office visits**
-  **Prescriptions**
-  **Imaging & lab work**
Includes X-rays and MRIs
-  **Emergency care**
Your ER visit will be covered.
Ensure all follow-up care is with a Garner doctor
-  **Urgent care**
The facility must be in network
-  **Hospital bills**
Incurred during a surgery or other procedure with a Garner doctor
-  **Physical therapy**
The facility or therapist must be in network

Garner has no financial relationships with doctors. Recommendations are based solely on independent analysis, not commissions or fees.

Use your Garner account three ways

1

Sign in at the Garner website
getgarner.com

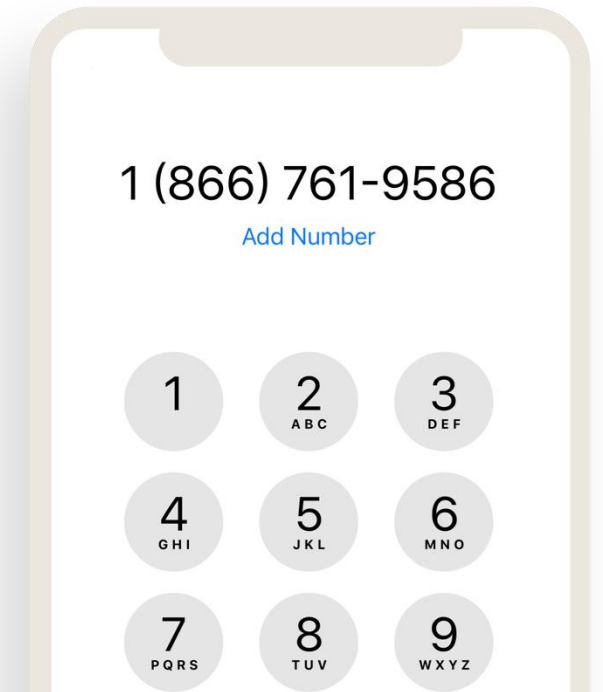

2

Download the Garner
Health mobile app

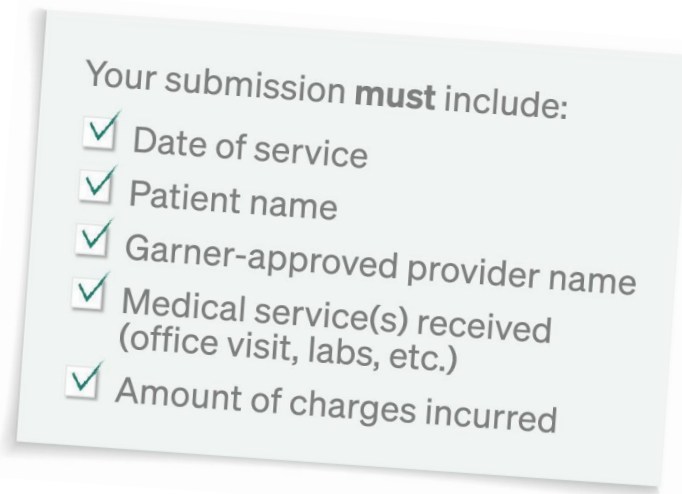

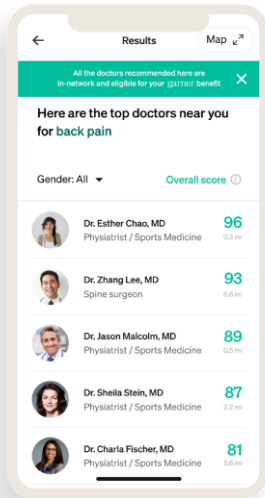

3

Call or email your Concierge
Or message them in the app

How it works

Garner **pays your out-of-pocket expenses** when you see Garner-recommended providers.

1 See a doctor.
Find Garner-recommended providers in the app. Or ask your Concierge for help.

2 Submit complete information.
Use the app or website to submit a picture of a detailed bill or explanation of benefits from your insurance company.

3 Get reimbursed.
You'll receive a check for out-of-pocket medical bills after you submit complete information.

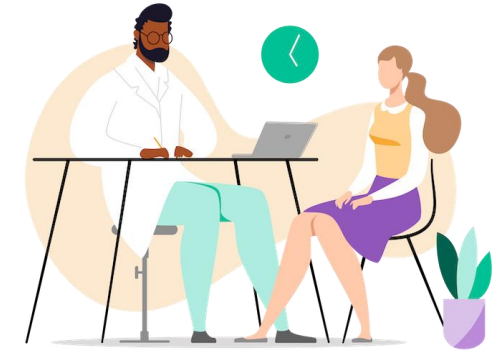

Garner in Action

garner

- 1** Sarah created her Garner account during open enrollment.

- 2** She contacted the concierge to see if her current doctors were Garner-approved. Good news! Her doctor was approved and added to her profile.

- 3** She visited her primary care physician (PCP). Her co-pay and lab work from that visit were covered by Garner.

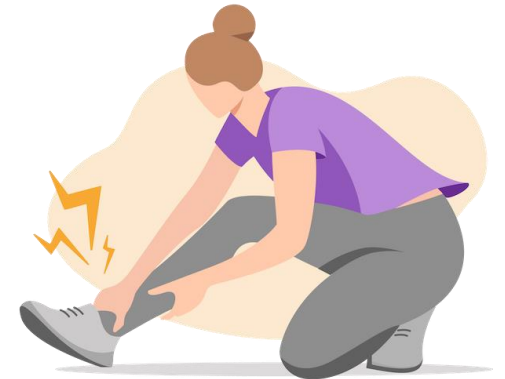

Sarah used the Garner app to submit a picture of the Explanation of Benefits (EOB) from her insurance company. She will receive a reimbursement check for out-of-pocket medical bills.

- 6** Sarah saw a Garner-recommended orthopedic doctor.

- 5** Using the Garner app, Sarah found a couple of top-performing doctors nearby with availability to see her right away.

- 4** Sarah injured her ankle playing soccer.
